ORDER

LD/EST/32-67

- Read: 1. Law Department Entry no. 1164 of the 24th March, 1966 to the Registrar, Judicial Commissioner's Court.
2. 478/A, dated the 24th December, 1966 from the Registrar, Judicial Commissioner's Court.
3. Entry no. 1164/66, dated the 24th March 1966 to the S. S. P.
4. Letter no. PHQ/R/Court-811/66, dated the 22nd January, 1966 S. S. P.

At the present moment no uniform procedure is followed regarding the issue and service of processes by magistrates courts. This sometimes makes for delay and it is difficult to ascertain where delay if any occurs.

2. With a view to avoiding these difficulties, it has been decided in consultation with the Registrar, Judicial Commissioner's Court and the Senior Superintendent of Police that the following procedure should be followed:

1. (a) The register of processes maintained in each police station should be maintained in the form of a ledger «Magistrate-war» i. e., separate sections in the register should be opened for each one of the magistrates courts from which the particular police station ordinarily receives processes.

(b) In each magistrate's court should be maintained a register containing particulars of processes issued to each police station, with the following columns:

Police Station						
Sr. No.	No. of case.	Crime No.	Nature of processes with identifying particulars	Date when issue of process was ordered	Date when sent to police station	Date when received back
1	2	3	4	5	6	7

This register should also be maintained in ledger form, one section being allotted to one specific police station.

(c) Every Inspector of Police in charge of a circle should as often as possible and at least once in two months, take the registers of the police station under him to the concerned magistrate's court, check up the entries with those in the registers and if necessary, the records maintained by the courts, and report to the Senior Superintendent of Police concerned, cases involving serious delay or omissions.

(2) Whenever summonses are meant to be served from a police station situated in the same town in which a magistrate's court concerned is located, the said process including warrants should normally be delivered by the magistrate's court to the court constable attached to the said court. The constable would acknowledge receipt of the process and then take them to his police station for effecting services.

(3) Whenever a police constable attends a court he should, if necessary, be asked to wait till the end of the day and take with him to his police station all the processes ready for issue and intended for service through his station.

(4) In cases of processes intended to be served through a police station other than the one located in the same town as the magistrate's court and from which no constable happens to attend the court, the said processes should be sent by the magistrates' Court by post to the police station concerned for effecting service.

3. The Registrar, Judicial Commissioner's Court, and the Senior Superintendent of Police are requested to issue suitable instructions to subordinate police officers and all magistrates with reference to the above.

4. This system would be reviewed after a year.

By order and in the name of the Administrator of Goa, Daman and Diu.

Kant Desai, Under Secretary.

Panjim, 23rd February, 1967.
